# USB 3.0 PCI-E CARD
## appPCI2P3

With this PCI Express card you can easily add 2 USB 3.0 ports to your PC or computer system and get transfer speeds of up to 4.8 Gbps that is to say 10 times faster than with your old USB 2.0! You can also manage large files at fast speeds.

The APPPCI2P3 is easy to install just enter the USB 3.0 PCI Express controller card into a free PCI Express slot on your computer, install the drivers included and you are ready to go.
